

TSD self service

New features

Leon du Toit, UiO-IT

Personal profile

Your personal data

Full name:

Patrick Murmann

Edit

Email:

patrimu@uio.no

Edit

Birth date:

16/11/1973

Password expiry:

15/09/2027

?

Retention date:

—

?

Electronic identities

Your electronic identities in TSD.

→

TSD user accounts

- p01-patrimu
- p11-patrimu

Audit log

Person

Review changes of your person record.

→

User

Review changes of your user account.

→

Electronic identities

Electronic identities ensure the authenticity of your person record via a trusted third-party identity provider. [\[More\]](#)

Your current identities

ID	Type	Issuer	Level	Expiry
CA/N0/11111	ID number	country: CA	High	—
55876901543	ID number	country: NO	High	—

Link identity

Linking identities is a two-stage process:

1. Log in via a identity provider.
2. Link the third-party identity.

Log in to make an identity available in TSD:

ID-porten

Log in with BankID, MinID, etc..

→

eIDAS

Log in as a European citizen.

→

Feide/Dataporten

Log in via a Norwegian university.

→

Invoice 2025-10–2026-08 (pending)

This preview is based on usage data available for the current invoicing period. Usage and subscription data for future months are not available yet and are therefore not included in this preview.

The preview also excludes any usage-based charges that cannot be projected in advance, such as SMS-invitations for Nettskjema.

The actual invoice may differ from this preview. The status of the invoice will be updated once all data have been collected and processed.

Time period: 2025-10–2026-08

Status: pending 

Customer number: –

Your reference: 1234p1337

Order reference: 4321

Ordrenr: 

Item	Quantity	Unit price	Amount
VM kjerner. 38/måned i perioden 2025-10 - 2025-10 (54 inkludert). 38 for perioden.	38	108,00 kr	4 104,00 kr
